Neuro Restore

SUPPORT HEALTHY BRAIN FUNCTION, NEUROTRANSMITTER BALANCE, AND A CALM, RESILIENT MOOD

Neuro Restore provides a carefully selected blend of whole food nutrients and cofactors designed to support healthy brain function, neurotransmitter balance, and a calm, resilient mood

SUPPORTS BRAIN FUNCTION

PROMOTES CALM & MOOD BALANCE

ENCOURAGES NEURO-TRANSMITTER HEALTH

The brain requires a steady supply of nutrients and cofactors to produce neurotransmitters, generate energy, and adapt to stress. Neuro Restore provides a comprehensive blend of supportive nutrients that nourish the brain and nervous system so you can think clearly, feel balanced, and show up at your best.

B vitamins, magnesium, zinc, and amino acids are critical for energy metabolism, neurotransmitter synthesis, and synaptic communication. Botanicals and cofactors help the body adapt to stress while promoting calm and clarity.

SUPPORTS BRAIN FUNCTION

Key nutrients help support memory, focus, processing speed, and overall cognitive performance.

PROMOTES CALM & MOOD BALANCE

Nutrients and cofactors support healthy neurotransmitter production and help promote a positive mood and emotional well-being.

ENCOURAGES NEUROTRANSMITTER HEALTH

Provides nutrients involved in the synthesis, metabolism, and recycling of key neurotransmitters, including serotonin, dopamine, GABA, and norepinephrine.

Neuro Restore is designed to provide foundational nutritional support for the pathways that keep the brain and nervous system functioning optimally.

By supplying nutrients involved in neurotransmitter production, cellular energy, and healthy stress response, the formula helps support the communication between the brain and body that influences focus, mood, memory, and resilience.

This makes it a comprehensive option for supporting cognitive and neurological health rather than targeting a single pathway.

Supplement Facts

Serving Size: 2 Capsules
Servings Per Container: 60

Amount Per Serving		% Daily Value**
Vitamin B6 (as Pyridoxal-5-Phosphate)	10 mg	588%
Folate (as L-5-Methyltetrahydrofolate)	400 mcg DFE	100%
Vitamin B12 (as Methylcobalamin)	500 mcg	20,833%
Magnesium (as TRAACS® Magnesium Bisglycinate Chelate)	100 mg	24%
Zinc (as TRAACS® Zinc Bisglycinate Chelate)	15 mg	136%
Choline (as Choline Bitartrate)	100 mg	18%
L-Tyrosine	250 mg	**
L-Theanine	150 mg	**
Phosphatidylserine (from Sunflower)	100 mg	**
Ashwagandha Extract (*Withania somnifera*) (root)	100 mg	**
Rhodiola Extract (*Rhodiola rosea*) (root)	100 mg	**
Bacopa Extract (*Bacopa monnieri*) (whole plant)	100 mg	**

** Daily Value not established.

OTHER INGREDIENTS:

Hypromellose (capsule), microcrystalline cellulose, leucine, silica, magnesium stearate.

SUGGESTED USE
Take 2 capsules daily or as directed by your healthcare professional.

KEEP OUT OF REACH OF CHILDREN.
Store in a cool, dry area. Sealed with an imprinted safety seal for your protection.

THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THESE PRODUCTS ARE NOT INTENDED TO DIAGNOSE, TREAT, CURE, OR PREVENT ANY DISEASE.ITH AN IMPRINTED SAFETY SEAL FOR YOUR PROTECTION.
